

Intertainment's KNCTR Hits New Weekly Unique User High Point And Continues Solid Growth Pattern.

NEW YORK / SAN MATEO / TORONTO – April 28, 2011 – Intertainment Media Inc. ("Intertainment" or the "Company") (TSXV:INT / US: ITMTF / FRA: I4T) announces that its desktop app **KNCTR®** (pronounced "Connector") – www.knctr.com a key program of Intertainment's wholly owned division itiBiti Systems Inc. (www.itibiti.com) continues to deliver incremental week over week growth of 32% resulting in 80,223 new unique users installing the **KNCTR®** application during the previous week across North America.

KNCTR® now has over 330,000 unique installations throughout North America since its launch on March 23rd, 2011. Key engagement features such as great video content, interaction with their social medias and making FREE long distance phone calls to cell phones and land lines to anywhere in North America, is allowing the advertising supported platform to continue to drive loyal consumer engagement with active users spending an average of over 13.5 minutes per day engaging with the application.

As an advertising supported platform, **KNCTR®** has initiated programs to monetize usage.

KNCTR® is the next generation of social communications applications that allows users to aggregate their social media(s) and voice services into one location on their desktop. Unlike **Skype**, the telephone feature on **KNCTR®** is completely free to the consumer allowing FREE local and long distance calls to mobile phones and land lines. **KNCTR®** is a premium advertising model that allows for branded sponsorship, pre-roll and display advertising opportunities for brands and service providers alike.

With the projected impact that tablets will have on the personal computing space, with over 50 million units to be sold within the next two years in North America alone, **KNCTR®** is positioned to enhance the functionality and usability of these devices by allowing them to become a fully functioning phone unit.

"The amount of active user engagement with **KNCTR®** continues to showcase that **KNCTR®** has become a core part of the consumer's daily digital habit." said **Brad Parry, CMO Intertainment Media Inc.**, "As the rate of growth continues and engagement increases **KNCTR®** will continue to be indispensable to both consumers and brands alike."

Notably, the itiBiti desktop app has been hailed by Microsoft Corp. as "the next generation of integrated social media applications - easy, scalable and fun."
