

## More than 1.6 Million Unique North American Installations For Entertainment's KNCTR®

**NEW YORK / SAN MATEO / TORONTO – July 28<sup>th</sup>, 2011 – Intertainment Media Inc. ("Intertainment" or the "Company") (TSXV:INT / US: ITMTF / FRA: I4T)** announces that its desktop app **KNCTR®** (pronounced "Connector") – [www.knctr.com](http://www.knctr.com) a key program of Intertainment's wholly owned division itiBiti Systems Inc. ([www.itibiti.com](http://www.itibiti.com)) is now counting over 1.6 million unique installations in the North American marketplace, with over 350,000 **KNCTR®** new unique installations throughout North America over the previous two week period, establishing another new record high point for the platform.

With continued increase in consumer engagement, **KNCTR's®** advertising revenue is accelerating and will be reported in the Company's quarterly statements.

"The momentum of the week over week growth for the **KNCTR®** platform along with the positive revenue trends solidifies **KNCTR®**'s value proposition." said **Brad Parry, CMO Intertainment Media Inc.**, "The platform's ability to deliver a growing unique audience consistently positions the platform as a must use tool for marketers who are looking for greater engagement opportunities."

**KNCTR®** continues to deliver extremely solid daily user engagement minutes that have remained over the 13 minute mark since the launch of the platform. The active user engagement continues to make the **KNCTR®** platform a key tool for brands and consumers alike with the app featuring video content, integration of social media and the ability to make FREE long distance phone calls to cell phones and land lines to anywhere in North America.

The **KNCTR®** platform has quickly established itself as a key awareness vehicle for brands and advertisers. **KNCTR®** is the next generation of social communication and entertainment applications that allows users to aggregate their social media(s) and voice services into one location on their desktop. Unlike **Skype**, the telephone feature on **KNCTR®** is completely free to the consumer allowing FREE local and long distance calls to mobile phones and land lines. **KNCTR®** is a premium advertising model that allows for branded sponsorship, pre-roll and display advertising opportunities for brands and service providers alike.

With the projected impact that tablets will have on the personal computing space and with over 50 million units to be sold within the next two years in North America alone, **KNCTR®** is positioned to enhance the functionality and usability of these devices by allowing them to become a fully functioning phone unit.

Notably, the itiBiti desktop app has been hailed by Microsoft Corp. as "the next generation of integrated social media applications - easy, scalable and fun."
