

Entertainment's Ortsbo Releases Commercial Version Of Ortsbo For Microsoft Outlook™ "O4O" – Create and Translate Email in 53 Languages

NEW YORK / LOS ANGELES / SAN MATEO / TORONTO – October 25, 2011 – Entertainment Media Inc. ("Entertainment" or the "Company") (TSXV:INT / OTCQX: ITMTF / FRA: I4T) announces that its social media, real time, experiential communications platform, Ortsbo.com (www.ortsbo.com) announced today that it has released a commercial version of its multi-language application for the world's most popular email platform, Microsoft Outlook™. Ortsbo for Outlook™, or "O4O" provides users with the ability to create, send and receive emails in over 50 languages seamlessly.

Over 2 Billion Internet users globally send over 154 Billion emails daily according to worldometers.info, a resource for real time world statistics. Daily email traffic is approximately 100 times greater than all the daily searches on Google, almost 1,000 times larger than daily Tweets via Twitter and almost 100,000 times greater than all the global blog posts written daily.

With O4O users can select a specific language for each contact and instantly create and send individual or group emails in almost any language to their contacts and receive emails from those contacts in multiple languages making it easy to converse with almost anyone or any group around the globe.

Available as a preliminary 30 day trial, or on an extended paid monthly basis, or a full version for only \$29.95 with discounts for larger groups and enterprise solutions, O4O is a cost effective solution for people with family, friends and colleagues who speak other languages.

"We were extremely pleased by the feedback we received from the beta trials of O4O earlier this Summer and we have incorporated many of the suggested upgrades in this commercial version," **said David Lucatch, President of Ortsbo / CEO Entertainment Media** "O4O delivers a valuable proposition to those who have friends, family and colleagues around the world, enabling email communication to have the same inherent language features as Ortsbo's real time social media platform."

In addition to the recent launch of Ortsbo's iPhone app, O2O for the iPad, available at iTunes, and its Windows Phone 7 app, available in the Windows Marketplace, and the release of its Android mobile app, Ortsbo is continuing to develop and deliver innovative solutions that break down the global language barrier.
