

Entertainment's Ortsbo Records 29% Growth In Unique Users Over Past 30 Days

NEW YORK / LOS ANGELES / SAN MATEO / TORONTO – September 19, 2011 – Entertainment Media Inc. ("Entertainment" or the "Company") (TSXV:INT / OTCQX: ITMTF / FRA: I4T) announces that its social media, real time, experiential communications platform, Ortsbo.com (www.ortsbo.com) continues to accelerate growth in September, achieving up to 29% growth over the same period in August 2011, with over 126 Million Minutes of User Engagement, 58 Million Page Views, 24 Million Online Sessions from over 17 Million Unique Users, from over 170 countries and territories during the first half, consisting of the 1st to the 15th, of September 2011.

With the recent launch of Ortsbo's iPhone app, available at iTunes, its Windows Phone 7 app, available in the Windows Marketplace and the upcoming release of its Android app, users are now spending time both on Ortsbo via mobile smartphones and desktop based computers. Mobile metrics are not yet included in the reported Ortsbo results.

Trials of Ortsbo's email solution for Microsoft Outlook have been completed and a series of commercial application will be available shortly.

August 2011 was a very important month as many of the remaining key functions for Ortsbo's transition to the Cloud with Microsoft Windows Azure were completed allowing users to continue to increase translation and communications activities while providing a significant increase in overall user engagement statistics and increasing brand recognition. Ortsbo experienced tremendous spikes in overall usage in August and continues to show record user growth.

Record Results for First Half of September 2011

Ortsbo's social media offering continues to accelerate achieving record results for September 2011 including substantive growth month over month. Ortsbo has found that as new users become more adept with the site, the number of page views diminishes per user, as they do not require any of the support pages to use the site.

	Sept. 1 to 15	August 1 to 15	Period % Increase
Online Sessions	24,446,899	21,504,132	+14%
Page Views	58,433,724	75,676,261	-23%
Unique Users For Period	17,628,423	13,655,380	+29%
Minutes of User Engagement	126,538,779	119,809,643	+06%
